34th

International Conference of
**Slovak Society
of Chemical
Engineering**

First Call

ORGANIZED BY
SLOVAK SOCIETY OF CHEMICAL ENGINEERING AND
INSTITUTE OF CHEMICAL AND ENVIRONMENTAL
ENGINEERING

MAY 21 - 25, 2007 | HOTEL HUTNÍK | TATRANSKÉ MATLIARE | SLOVAKIA

SCOPE OF CONFERENCE

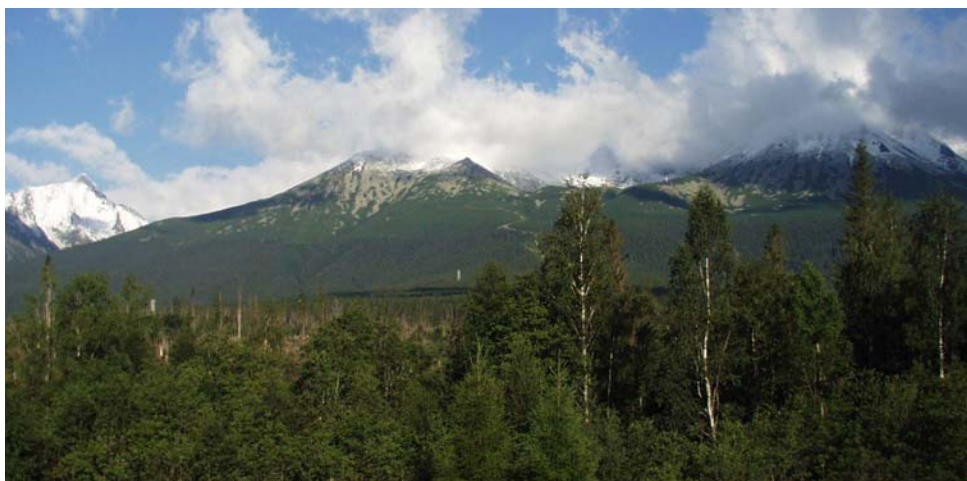

The Conference is organized by the Slovak Society of Chemical Engineering with assistance of the Institute of Chemical and Environmental Engineering in a charming area of Vysoké Tatry (High Tatras). The aim of the 34th Conference is a presentation of research results and technological - engineering solutions in the area of chemical and biochemical engineering, mechanical engineering in chemistry, control of processes in chemical and food industry with the focus on rational use of energy sources, ecology, and risk management.

FORM OF CONTRIBUTIONS

Contributions will be presented as plenary lectures, lectures in sections, and posters. The program committee will consider the final form of the contribution and will inform the authors about its decision within January-February 2007. Abstract proceedings will be published in printed form. Proceedings with full texts of contributions will be published on CD-ROM. Both will be distributed to participants at the registration. Therefore, abstracts and full texts must be submitted in electronic form following the instructions on the webpage of SSCHE by April 1, 2007.

Please note there is a possibility to introduce your company through an advertisement in the book of abstracts, on the CD-ROM, or on a billboard at the conference place. Please contact conference organizers for more information and rates.

CHEMICAL PAPERS

Selected contributions will be published in the Chemical Papers. The authors interested in publishing their articles in the Chemical Papers are required to submit the manuscripts by April 1, 2007.

All contributions must comply with the **Aims and Scope of the Journal** as defined on the website:
<http://www.chem.sav.sk/chempap.html>

SOCIAL PROGRAM

Conference party will be held in Hotel Hutník on Wednesday, May 23, 2007 at 8:30 p.m.

Fee for the conference party is included in the conference registration fee.

TRANSPORTATION

Transportation is individual. There is a bus connection between railway station Poprad and Tatranské Matliare. CSA Airlines provides flights Prague - Košice and upon your request bus transportation from Košice to Poprad. Also SKYEurope Airlines has regular flights to Poprad from Bratislava and Prague and other European cities. The information on local buses you will find also on our website.

INSTRUCTIONS FOR AUTHORS

Lectures: Lecture time should not exceed 20 minutes including discussion. Please reduce to minimum the derivation of mathematical equations and description of data in tables. Focus on explication of principal points and the achieved results. Authors of contributions can use overhead-projector, slide projector, and PC with data-projector for their presentation.

Posters: Poster should contain a headline with the names of authors, working place, and the title of contribution. The panel dimensions are 90 cm (width) x 85 cm. The authors are asked to be present at the poster section according to the conference program.

Full texts (lectures and poster presentations): Recommended number of pages is 10 including figures and tables. Contribution must be sent in electronic form following instructions on the website of SSCHE. All figures should be inserted in the text as the objects. Please do not use graphics tools of MS Word and do not associate the objects in the manuscripts otherwise the final electronic form could differ from the original word document.

The conference program and organization details will be provided in the second call.
